Bienvenido a The Peace Centre

We recently welcomed a charming group of 10-11 year-old students from **IES El Palo Junior School in Málaga, Spain.**

They stayed with us for 10 days whilst discovering all the gems that the North West has to offer, from the Roman Walls in Chester, all the way to Windermere in the Lake District.

"We keep coming year after year and our ten-day stay at The Peace Centre is always a happy experience to look forward to."
